

July 1, 2007

Dear Member:

Enclosed please find our dues invoice for July 1, 2007, to June 30, 2008. Please note that the dues for this fiscal year remain at \$50.00. If you have already paid your dues for 2007/2008 please take a moment to review the enclosed information (especially the e-mail address) and update your individual information as required. Use the enclosed envelope to return the updated information sheet with your check payable to NY/CT ATP. We thank you for your continued support.

It is very important that you know and understand that all of our meeting notices are now sent electronically to your e-mail address on file with NY/CT-ATP. Most other administrative notices and memos are also distributed the same way. If you have not been receiving notices please carefully review your e-mail address (*sherry@awosting.com*). We will never sell or provide your e-mail address to anyone outside of this organization....period! If you are using any special spam blocking software, you should pre-authorize my address, [*emmetg@prodigy.net*](mailto:emmetg@prodigy.net). Of course you can always go directly to the website and review upcoming meetings, seminars, and a complete calendar of events. We encourage you to review the website periodically for changes, calendars, and other useful things such as our complete membership directory. This directory includes listings by Town, by Tax Software, and by Tax Specialty (area of expertise).

I am very proud to announce that last year we awarded our very first life member. That award went to Iris Adler for her years of service in so many things. Iris has served on many committees, been a vice-president, and served as a director for many years. Iris is still an active member only showing a few signs of slowing down. We are blessed to have her as a member and lucky to have benefited from all her hard work. Iris will enjoy all the benefits of membership without ever paying dues again.

Last year our Emergency Assistance Committee went into action to assist a couple of members. It's sad to see people in need, but it's great to be able to help during those times.

We are planning a full day seminar for our October 17th meeting and of course our annual seminar on November 30th and December 1st. Please take a moment and mark your calendars.

Enjoy your summer, and I hope to see you at a meeting or seminar soon!

Sincerely yours,
