Dear Member:

Enclosed please find our dues invoice for July 1, 2009, to June 30, 2010. **Please note that the dues for this fiscal year have increased to \$60.00. If dues payment is made by July 31st a discount of \$10.00 can be applied. Payments must be postmarked or PayPal'd on or before July 31st, to get the \$10.00 discount.** If you have already paid your dues for the new year, please take a moment to review the enclosed information (especially the e-mail address) and update your individual information as required. Use the enclosed envelope to return the updated information sheet with your check payable to NY/CT ATP. We thank you for your continued support.

It is very important that you know and understand that all of our meeting and administrative notices are sent electronically to your e-mail address of record with NY/CT-ATP. If we do not have a valid email address for you, it is impossible for us to keep in touch with you. Please return the enclosed dues invoice to update or verify your contact information. Please remember to notify us of an email address change.

I always encourage you to mark your calendars for upcoming events and deadlines. We have meetings on 7/15, 9/16, 11/18, and 1/13/10. We have seminars on 10/21 and on 12/4&5. The book order deadline is 11/16 this year. All of these things can be accomplished and paid through the website. We encourage you to use the website more and more and to move over to PayPal for payment. It is very simple and not difficult to set up. Kristen or Roberta in my office can assist you if that would help.

It's been a heck of a year. Whether you sell investments or just save for your own future it has been a difficult time! I suppose one of the good things to come from this is that many of us will postpone retirement; therefore I will get to see you for another year or two. I always enjoy your smiling faces and the wonderful interaction we achieve at our meetings and seminars. If you haven't made it to a meeting in a while, come on down! We have been getting great attendance and interesting topics. This year's lineup looks to be one of our best ever. You can review the schedule anytime at <http://nyctatp.org/Calendar.htm>.

Yours truly,
